

Keep Reading This Summer!!!

It's the last week of school! Keep reading & complete a row, column, diagonal or blackout this Bingo board for a prize when we return in the fall

<https://drive.google.com/file/d/1VrHbxS-EhcJn6oaOIdfi3undh6am0UQe/view?usp=sharing> Remember you can always listen along to many online books or read with a family member.

At this point, I'm not seeing any information about the Germantown Library summer reading program. I hope they are still able to offer something...keep checking their website in the coming weeks.

The [Germantown Community Library](#) is currently only offering curbside services, but you have so many online reading options. Please check out some of these online resources I've compiled. I'll continue updating this summer. Most of the free reading resources are offered through June. <https://wke.lt/w/s/I9c00w>

We still hold a VERY significant lead among the GMSD elementary schools for the MyOn reading competition for most minutes read. Contest ends Thursday. We have such amazing hardworking students at FES. You're the best! MyOn will be available through May 31. <https://www.myon.com/school/germantownmunicipalreads>

I LOVE you here at Farmington!
Ms. Shelley
